

Too Many Shoes!

Are you tired of paying for several pairs of school shoes each year? We have a win-win solution to cut down on your school expenses and our school clutter!

The one pair solution: Grade 1 to Grade 4 students do not need to have two pairs of indoor shoes; they only need one pair of indoor shoes that meet the requirements of being all black and non-scuffing/non-marking for gym and that look appropriate for dress uniform (no colours on the shoes).

We encourage all Colonel Sanders families to synergize with us in reducing costs and clutter by purchasing one pair of indoor shoes next year that will meet both uniform and gym requirements.

Thank you for your support of the one pair solution!
