7:25pm Treasurer's Report: Bhavna (Mila 3M) ,

Already approved costs:

CAD 4000 for bowling

CAD 1000 for field trips

Small requests like Grade 4 end of year ice cream treat

DJ still needs to be paid CAD 400 something – asking for discount since we reduced hours

Previous years have raised approx. CAD 1000 through the Dance.

Mable labels fundraiser sheets to be sent out before end of year in agendas

7:30pm Discussion

Need to send out a physical note for Spring Fling Dance tickets since we have only sold approx. 100 tickets and raised approx. CAD 750. This is our biggest fundraiser not including the Casino fundraiser. Given that we have a capacity of 339 people need to get a little more aggressive with the ticket sales. Can also send out a School Messenger, post more on Facebook. Request all teachers to post on Google Classrooms.

Outdoor space very wet – semi circle with tables needs gravel – will try to get quotation. Barrier will be CBE approval to it. We are supposed to manage it ourselves but because it's on school property issues for access. Last year grounds men cut the grass right up to the edge – expensive to get the rest cut. Technically cannot use any CBE not approved vendor. Very expensive to get a contractor to do it. Need to report back to Education matters on how we spent the money as well. Ideally need to spend before end of June

GIC Reinvestment : CAD 80K of casino and CAD 13K of general investment for next year – question is how much, since the current GICs mature on June 3 Over 3 yrs how much was spent annually and then kept casino and general in regular

And then rest was put in GIC ~12K and just make sure to keep same amount and invest the rest. Not a casino year and we need half of the money do 40K invest from casino and keep the 13K in general account, should be left with 7K after dance.

40K casino and 13K general – less money but still more than 2 fun lunches

Vote next month

At the Teachers convention Ms. Sato spoke to someone about coaching teachers how to plan community visits and Alex looking into it for 2026/2027 and potentially have SC pay for it. Alex has to talk to PD

committee about it first. Learning intentions and how to make connections within community ie use community as classroom for curriculum topics, like walk in local park and nose hill park. Potentially connect with 'friends of nose hill' to see if they can volunteer and help with this.

Danielle will be done next year Dorothy will end soon too so need to get more parents involved with SC/PA
