

HELLO,
I'M MRS.
DAVIDOFF

i love my dog

ABOUT ME

I am so excited to be joining the Colonel Sanders School team as the Acting Assistant Principal. I have been an educator for many years, teaching from Kindergarten to Grade 7, and I also served as an AP for over 8 years before retiring four years ago to travel. (It turns out, 'retirement' just meant taking a little break--I missed school and students too much!)

My most recent adventures have taken me to Costa Rica and Greece, both of which deepened my love of exploring new cultures and places.

When I am not in my office, you'll find me in the library, checking out the latest books alongside students. I also enjoy spending time outdoors--mostly kayaking on rivers and lakes with my family. At home, I spend a lot of time walking my dog, Luna, who likes to believe she's the one in charge of our walks..

In addition to my work at schools, I volunteer with Ronald McDonald House Charities and the NICU, which continues to remind me of the importance of kindness, compassion and community.

I am really looking forward to getting to know all of you this year.
