

WELCOME

Colonel Sanders School Council

Annual General Meeting • September 15, 2026

New and returning families — we're glad you're here!

Students • Families • Community

Tonight is a chance to connect, learn what School Council does, and find a way to be involved that works for your family.

What is School Council?

A place for families, staff and school administration to work together.

- Hear what is happening at the school
- Learn directly from school administration
- Share parent and guardian perspectives
- Support school priorities, initiatives and community-building
- Connect with other Colonel Sanders families

You do not need to hold a position to participate.

Come when you can.

Ask questions. Share ideas.

Everyone is welcome.

Meet Your School Council

Current officers and position holders listed on tonight's AGM agenda.

- Co-Chair — Danielle S. (Owen 4M)
- Co-Chair — Dorothy J. (Lydia 4P, Calvin 3L)
- Vice Chair — Melissa W. (Dashel 2D)
- Treasurer — Bhavna (Mila 4, Jiya 1)
- Secretary — Aliya (Mila 4, Jiya 1)

Officer elections for 2026–27 take place later tonight.

School Council vs. Parent Society

Two separate organizations — working together for the same school community.

SCHOOL COUNCIL

The voice & advisory side

- Provides parent input and perspectives
- Discusses school priorities and initiatives
- Receives updates from administration
- Builds connections between families and school
- Does not conduct fundraising

PARENT SOCIETY

The fundraising & financial side

- A separate organization that can fundraise
- Manages funds raised for the school
- Considers and votes on funding requests
- Supports resources, activities and opportunities for students
- This is why we hold a separate Parent Society meeting

In Alberta, School Councils are advisory bodies rather than fundraising bodies, so many school communities use a separate parent society for fundraising and financial decisions.
